

Hi friends!

We hope this message finds you well. We are reaching out about our upcoming **Soaring Eagles Mini Golf Tournament** on **June 13th**, an event that will enable us to begin providing safe homes for children who have been orphaned, abused, abandoned, neglected, or are homeless. We are currently seeking sponsors and donors to help make this event impactful and meaningful.

We offer several sponsorship opportunities designed to provide valuable visibility for your business while directly supporting our mission:

Gold Sponsor - $500
Silver Sponsor - $200
Bronze Sponsor - $100
see attached form below for more details

If sponsorship isn't the right fit at this time, there are still meaningful ways to get involved. We are currently seeking **donated items or experiences** for our silent auction, as well as **prizes for those who are participating in the tournament**. Popular donation ideas include gift baskets, services, gift cards, or unique experiences – anything that helps create excitement while supporting a great cause.

Important Note: Our silent auction is online, so you are able to still participate by bidding on items even if you aren't able to be here in person. If you are the winning bidder, items can be mailed directly to you. However, **additional fees for shipping will be added** to the final bid price.

We are also looking for teams to participate! Gather your friends, family, or coworkers to create a team of 5. Up until May 15th, it will be $125 per team. After May 15th, team price is $150.

Prices: Juniors (5-12): $15, Teens (13-18): $20, Adults (19+): $30
Register before May 15th for $5 off!

Your support, whether through sponsorship, donation, or participating in the event, plays a direct role in helping us accomplish our mission in serving children and creating a safe place for them to experience true family. We would be honored to partner with you!

If you're interested or would like more details, we would love to connect and answer any questions. Thank you for considering this opportunity to make a difference.

Blessings,
Eagle's Nest Wilderness Ranch
