UPDATES FROM THE NEST

HOME STUDY PROGRESS

We are grateful to share that our home study is finished and all required interviews and inspections have now been completed. While we do not yet have a timeline as to when we will receive our official certification, we are prayerfully anticipating formal approval soon as a state-licensed foster home.

LONG-TERM HOME FOR EAGLE'S NEST

In the meantime, we continue to seek God's guidance and provision for the right property that will one day become ENWR's forever home. Thank you for walking with us, praying with us, and believing alongside us as each step unfolds.

Please pray for:

- *God's timing and favor as we await formal foster home certification*
- *Clarity and provision for the right property for Eagle's Nest*
- *Wisdom, peace, and strength during this season of waiting*
- *Protection and restoration for the children God is preparing for us*

JUST RELEASED: "EMPTY SEAT"

Watch on YouTube!

We are excited to release our fourth and final video, "Empty Seat". This video represents the many empty places waiting to be filled - each seat symbolizing a child in need and a life that could be transformed. It reflects the vision God has placed on our hearts to create a home where those empty seats become spaces of belonging, purpose, and restoration.
