UPDATES FROM THE NEST

PREPARATION SEASON

While it may not feel like something big is happening, there is always something happening behind the scenes. This season has been one of preparation - putting pieces into place, building systems, preparing for opportunities ahead, and continuing to trust God with the vision He has given us.

SOMETHING TO CELEBRATE

This month, we're celebrating that our foster home furnishings are now together in one place, and we're continuing to move forward with the preparation needed for the home God has placed on our hearts.

We purchased a 34-foot cargo trailer from Wyoming and were able to empty our storage unit and move everything into it.

A small step, but a big piece of the preparation. Thank YOU for helping make this possible!

SAVE THE DATES!

We're preparing for Festival of Trees this December! This year's theme is "A Charlie Brown Christmas", and we're excited to bring this classic Christmas story to life through our tree.

Do you have Charlie Brown-themed items, decorations, or supplies that could help us bring our tree to life? We'd love to hear from you!

We have set the date for our 6th annual Soaring Eagles Mini Golf Tournament! This annual event helps us share the mission and raise support for ENWR.

More details to come!

Mark your calendars and stay connected!

STAY TUNED

We have some exciting news on the outreach side! Google has approved Eagle's Nest for the Youtube Nonprofit Program!

This means we have new opportunities ahead to share the story of Eagle's Nest, reach more people, and invite others to become part of what God is doing here.

So... stay tuned! We're excited to see the doors God opens through this.

SHARING THE MISSION

We've also been working on an email blast and church presentation to introduce Eagle's Nest to churches throughout Colorado.

Our hope is to create more opportunities to share our mission, tell our story, build relationships, and invite churches to partner with us in caring for vulnerable children and families.

NEW DONOR PROGRAM

We're excited to share that we're only a few steps away from launching our new donor software program!

This new program will help us better connect, communicate, and care for all of you who make the Eagle's Nest Wilderness Ranch mission possible.

PRAYERS

We ask you to continue to join us in prayer, that we would:

- stay close
- listen carefully
- and remain obedient to what God is showing us

Preparation isn't just about getting things ready around us. It's about allowing God to prepare us, too. We want to be ready when He says, "Go."

Thank you for continuing to pray, give, encourage, and walk alongside us.
